Re: New Membership

I am delighted that you are considering a membership in the Charlotte Mecklenburg Black Chamber of Commerce (CMBCC). We are excited about the things we have planned for our members and we look forward to your support and participation. Our goals are to provide small and emerging businesses with the needed training and relationship building that will result in their ability to manage their businesses better and successfully grow them.

CMBCC plans to accomplish this through various training sessions, networking events, highlighting business successful stories and providing access to the resources of the National Black Chamber of Commerce. Additionally, we have developed a strong relationship with the Charlotte Chamber. Despite our commitment to success, we cannot achieve our goals without your support and participation. Therefore, I am requesting your membership in this exciting organization. By working together, I believe we can help make Charlotte a thriving business community for all of its residents.

Sincerely,

Terry L. Jones,
Chairman of the Board of Directors
